

Ferrington Garden Club Poinsettia Sale

Poinsettias will be \$15 again this year. You can choose from Red, White, or Pink and novelty varieties Red Glitter, Ice Punch or Marble Star. They have been grown by the students in 8" pots with 3 plants per pot and will be wrapped in burlap with a bow. The height depends on the variety. The pink and white varieties will be shorter and more compact than the red. All proceeds benefit the Chatham Central High School Horticultural Program.

Order forms are available in all mail kiosks and on the Garden Club group portal at ferringtonfha.org. Order deadline: October 26th. Pick-up day is December 8th, by appointment, and plants will be safely placed in your car trunk at a drive-by delivery point in Ferrington Village.
